### IN MEMORIAM - A TRIBUTE TO A VISIONARY

When the sun goes below the horizons, he is not set; the heavens glow for a full hour after his departure, - And when a great and good man sets, the sky of this world is luminous long after he is out of sight. Such a man cannot be out of activity in the world as when he goes; he leaves behind much of himself. Such was the aura and acumen of the all inspiring personality of our Founder Chairperson Sir, Shri. B.D. Gulati Ji who as our beacon has been instrumental in paving our path towards progress and prosperity and also motivating us to forge ahead with commitment and conviction. This divine and radiating light will always remain aflame in our hearts and will continue to show us the path of truth and righteousness.

The entire Blue Bells Family stands as a testimony to the fact, that, the wisdom that he has given us shall never fade because our body is a journey, and it is where you begin. It is your connection to the physical world and the foundation of all our activities.

We, at Blue Bells are very fortunate that we could partake of the vision and mission of our Founder Chairperson Sir whose farsightedness as the Chief Town Planner of this upcoming town motivated him to envision and give to this upcoming town a progressive English Medium school.

As a great visionary, he felt the dire need as opportunities for quality education in Gurgaon in the late 70's and 80's were very limited and our flagship school, Blue Bells Model School, was his humble gesture to give back to the society. As a great educationist he is the soul and spirit behind the inception of Blue Bells Group of Schools dedicating his life to the cause of the children. His deepest concern was to provide wholesome and conducive learning environment to each and every Blue Bellian because he very strongly believed that every child is born to blossom and is potentially the light of the world.

As the inheritors of his great vision the onus lies on us to carry forward the rich legacy and let his vision remain ever ignited. As we salute this great iconic and patriarchal figure, we pray to God Almighty to grant us the wisdom and courage to be his true messengers and ambassadors of his rich legacy.

**A Divine Radiating Light**
